

# OUR APPRECIATION

To show our appreciation to drive leaders and their network, every goal level has a reward in store! See the stair case! →

Every successive goal level receives the rewards of the level that precedes it!

Additionally, all drive leaders will be featured on our blog to illustrate the diversity of mothers, young women, girls, and men that care about the well being of women and children in Liberia, West Africa.

2 tickets to the "Giving Health Holidays" fundraising soiree! **60+**
